The screenshot shows a Microsoft Internet Explorer browser window with the address bar displaying "http://www.getthepass.com/". The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The toolbar contains buttons for Back, Forward, Stop, Refresh, Home, Search, Favorites, History, Mail, Print, Edit, Discard, and Go. The main content area displays a registration form with the following sections:

- Password**: A text input field.
- Retype password**: A text input field.
- Secret question for password reset**: A text input field.
- Answer to secret question**: A text input field.
- Profile Information**: A section header.
- E-mail**: A text input field.
- Country/Region**: A dropdown menu showing "United States".
- State**: A dropdown menu showing "Alabama".
- Zip code**: A text input field.
- Sign Up**: A button.
- Need help getting your Passport?**: A link.

Below the form, there is a footer area with the text "Passport sites will offer you the option not to receive solicitations, but you might receive occasional announcements or customer support messages." and a "Sign Up" button.
